

Council on summer schedule

Elk Point Town Council dealt with a full agenda in record time Monday night, winding up their meeting in under two and a half hours, with the Administrator jokingly referring to their "summer schedule".

Summer and recreational activities were first and foremost on the agenda, with Council acknowledging receipt of the County of St. Paul's acceptance of the Town's decision to withdraw from the joint recreation and cultural agreement. It was agreed that the move is in the best interest of both bodies.

The Elk Point Golf and Country Club's lease agreement came under intense discussion. Council agrees to change the phrasing to read that the rent will be renegotiated "at the end of three years", rather than "every three years", but declined to add an extension to the development time.

Council also voted to ask the Golf Club to look elsewhere for insurance coverage of their equipment, as the Town feels that it would be detrimental to the local insurance agents to offer this coverage through the Town's policy. Council did agree to deletion of a clause dealing with default of payment and rewriting of another clause.

The cost of installing power at the recreation land was discussed, with Council voting to obtain a further price for three phase power before making a decision.

A new power supply service for the Water Treatment Plant is also necessary because of the location of the new building, with Council voting to approve the new agreement at a cost of \$5794.

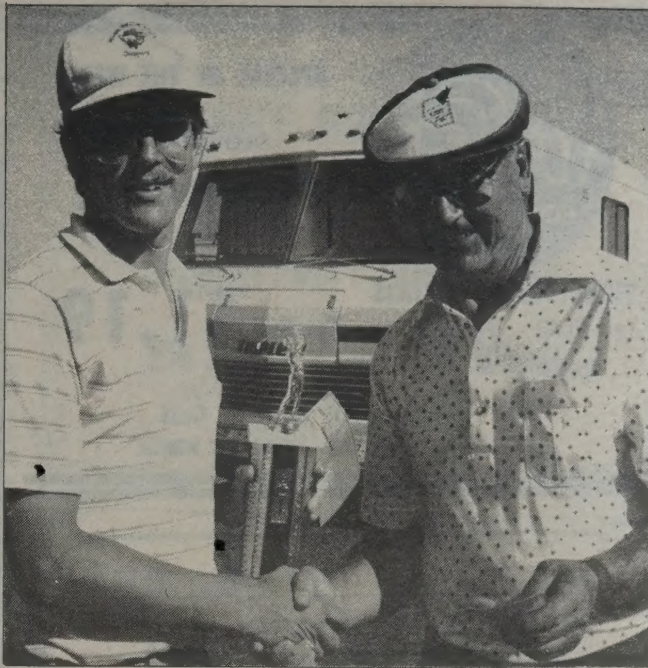

Council was told that Glennis Kitchen has accepted the position of Office Manager and Accounting Clerk, and will commence

her new duties next Monday.

Bylaw Officer Ralph Riemer was on hand to report on a contravention of Bylaw 393/84, Unsightly and Untidy Premises, regarding three residences in the North Subdivision. A registered letter has been sent to the owner and the necessary time allowed for response but no remedial action has been forthcoming. A hearing regarding the contravention was scheduled for the August 25 regular meeting.

Council has received a diagram for a proposed distribution system from Elk Point Gas Ltd. for the service of the WRD Borger Construction Ltd. residential subdivision, but declined to approve it until clarification is obtained regarding the funding for the project.

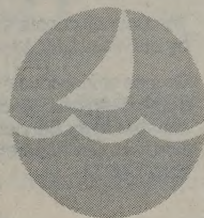

More information is also needed regarding a query by Mr. and

"The old and the new" meet at Clandonald Fair

By Shirley Osinchuk
Clandonald Correspondent

For a while it looked as if it might rain on our parade. The men of the Board of Trade were out very early preparing breakfast in front of the

curling rink. They had to put up with some showers, but the rave reviews of their cooking brightened up the morning. Eggs, bacon, sausages, pancakes, juice and coffee - for a very reasonable price. Mr. Neville Payne from Mudgee, Australia, who, with his wife, is visiting the Goddards, said he came all this way "to have a good breakfast".

By parade time the sun was shining through. Gradually the sky cleared, and the weather was ideal for a day outside.

At 11 a.m. an R.C.M.P. officer, in his red dress tunic lead off the parade, followed by pipers from the Marwayne Legion Pipe Band, horses carrying the Clandonald Country Fair banner and flags, the dignitaries, floats from local and area businesses, decorated bicycles, more horses, clowns, motor vehicles of all descriptions and finally, the fire engine.

Carrie and Lester Goldsmith and Lori and Ed Podhaniuk were parade marshalls, and Carrie Goldsmith and Dennis Rewuski located the vintage vehicles carrying the dignitaries.

The parade wound its way through town, ending on the grounds west of the rinks, where the Fair was officially opened by the President of the Agricultural Society, Dever DeFord. MLA Doug Cherry and his wife Marlene were present. Mr. Cherry presented a cheque from the Western Lottery Foundation for \$15,000 as the first part of a three-year grant to the Clandonald Agricultural Society.

In keeping with the theme of the fair, "The Old and the New", our recently retired MLA Bud Miller and his wife Margaret were called forward to receive a fishing tackle box,

rod and reel, and recently elected MLA Doug Cherry received a card.

Mrs. Betty McCormack received a plaque and flowers in memory of her husband Dennis, who was a founder of the Agricultural Society and a dedicated worker for Clandonald.

Mrs. Shirley Grant was surprised with a bouquet from the Agricultural Society for her tireless work.

The Exhibit Hall opened for viewing, with many tables of garden produce, flowers, cooking, crafts, handwork, and school work. Each entry was a winner. The winners of each category were: Flowers - 8 and under - Patricia Protsch, 9 - 15 - Dawn DeGiano, Adult - Josie McIntyre; Grain - Robert Garnier; Vegetables - Adult - Mildred Molineux, 9 - 15 - Jennifer Lawrence, 8 and under - Lyle Radesh; Homecooking - 8 and under - Joanne Thomas, 9 - 15 - Jennifer Lawrence, Adult - Mildred Molineux; Hommaking - Suzanne DeJong, 15 and under - Tammy DeFord; Handicrafts - Adult - Loretta Harasiuk, 8 and under - Lyle Radesh, 9 - 15 - Greg Yaseyko; Senior Citizens - Hazel Griebel. Thanks to the teachers who collected such a variety of art and other school work to enter in the school section.

Music on the grounds came from the D & E DeFord float which carried Gordon and Bruce Gould and Clayton Harrower. We named them "Saturday Night Live" for Fair day.

Next, at the Pet Show, we wondered how Mildred Molineux and the judges, Helen King, Sharon Hill and Shirley McRobert would judge between a Hereford bull, dogs ranging from tiny to huge, rabbits, Gus Goose

(Cont. on Page 10)

WE WON! WE WON! — Enthusiastic winners of the kiddies' races at the Clandonald Fair show off their prize ribbons at last weekend's gala gathering.

See you at the Elk Point Fair

Brad Buck wins Men's Open

FLIGHT WINNERS — At Elk Point Men's Open Golf Tournament last weekend were (l-r) Brad Buck, Championship Flight; Don Christie, 1st Flight;

Everett White, 2nd Flight; Dale Appleton, 3rd Flight; Ron Kopala, 4th flight; Rod Cousineau, 5th Flight; Bob Tredger, 6th Flight; Roger Cousineau, 7th Flight.

Nineteen-year-old Brad Buck of St. Paul set a scorching four under par pace to win Sunday's Men's Open Golf Tournament at the Elk Point Golf and Country Club with a score of 68 on eighteen holes. Nearly sixty

golfers enjoyed fine weather conditions at the tourney.

The Championship Flight win is just another in a long string of successes for Buck, who is a member of the intercollegiate golf team at Washington State University in Pullman, Washington, U.S.A., where he is about to start his second year in a recreation-related program.

Second place in the Championship Flight went to Craig Benson with a right-on-par 72, while third place was captured by Randy Yavis with a 74.

Don Christie took top honors in the First Flight with an 80 stroke score, backed up by Shelby Martowski in second place and Al Doonanco in third. Everett White topped the Second Flight with a 78, with Ray Cardinal placing second and Tony Nowosad

third.

Third Flight winner was Dale Appleton with an 83, who narrowly outdistanced Art Foster and Allan Buck, who split second and third places with an 84 stroke tie. Fourth Flight went to Ron Kopala with a 76, with Ray Julian in second spot and Nick Zalaski third. Rod Cousineau with an 86 led the Fifth Flight, with Ted Yeomans second and Ron Durie third.

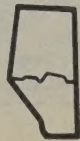

Bob Tredger was the Sixth Flight winner, ahead of Keith Christie in second spot and Barry Oram in third, while Roger Cousineau placed first in the Seventh Flight and Roland Gascon placed second.

The day wound up with a sumptuous steak barbecue and a highly successful Horse Race.

Thank You

I would like to thank everyone for attending my 90th Birthday Party. Thanks to those who brought Birthday Cards and especially to all of you who brought gifts!!

NORTHERN ALBERTA
DEVELOPMENT COUNCIL

NADC Public Forum

Bonnyville
7:30 p.m., Tuesday, August 19, 1986
Senior Citizens' Drop-in Centre

The Northern Alberta Development Council holds regular public meetings throughout Northern Alberta, giving everyone the opportunity to present briefs on matters of concern and general information.

The Council consists of ten members and is chaired by Bob Elliott, MLA for Grande Prairie.

Groups or individuals interested in making submissions at the Bonnyville meeting should contact Council member Mary Bennett in Elk Point at 724-2456 or the Northern Development Branch in Peace River at 624-6274.

Fall election for Council

Elk Point Town Council is already making preparations for the October 20 municipal election, with the appointment at Monday night's regular meeting of Steve Andrishak as Returning Officer.

Fees to be paid to the Returning Officer and two Poll Clerks were also established.

Nomination day has been set for Monday, September 22, between the hours of 10:00 a.m. and 12:00 noon.

Council

(Cont. from Page 1)

Mrs. Wm. Bepalko regarding natural gas service.

A copy of the long-delayed airport agreement with the County of St. Paul has been received for the Town's files.

A copy of the Highway 41 agreement has also been received by the Town for their files. The tender documents are now in the Town Office, with tenders closing August 27. It is hoped that construction will get underway this fall. Gas line relocation necessary because of the development was discussed, with the Town's Public Works Superintendent and the highway project's engineers to be contacted for time coordination.

The Town will advise the County of St. Paul that there is no objection to the construction of a new road from the Alberta Wheat Pool elevator which will join 54 Street for access to Secondary Highway 646, as long as amendments are made to culvert size to meet the needs of the drainage ditch.

Council was advised that no bids were received on the tax recovery sale earlier Monday. The Town will now carry out the next step, which is to notify the owner that the Town will take title to the property if the taxes and other costs are not paid within one year of the date of the sale.

In Memoriam

RUZYCKI, Steve

In loving memory of Dad, who passed away on August 10th, 1983.

Come to the Fair

It's Fair time in northeast Alberta. photographers getting just the right angle, painters mixing the most delicate hues, and writers looking for that elusive perfect work.

Every week, the finest vegetables are plucked at the peak of perfection, washed and polished until they look hardly real. The most perfect flowers are lifted delicately from their beds, and arranged artistically.

Stalks of grain are measured for uniformity, and bound into fat sheaves. The fruit trees and berry bushes are searched for the largest and ripest specimens available. Canners have been shining up their sealers and the country's best cooks working overtime.

But this is only the last minute stuff. Work on fair entries has been underway since probably the day after last year's fair.

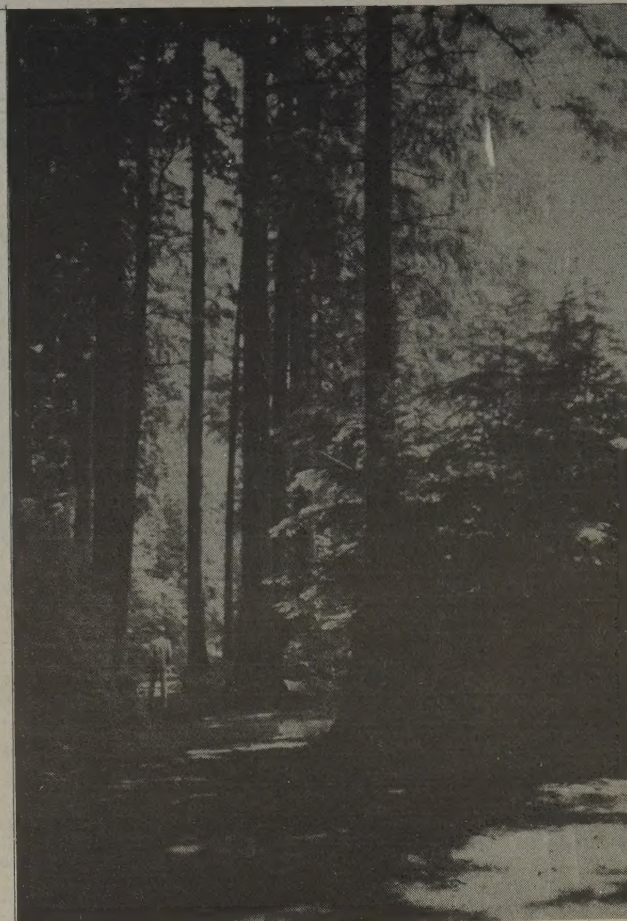

Knitters have been counting their stitches, quilters searching out the best colored patches, handicrafters taking minute care as they work on their creations,

At last, they will see the fruits of their labor, on display to the entire community, under their trimming of red, blue and white ribbons. The most prolific exhibitor in each section will receive special recognition in the form of prizes, with the biggest and best prize to the overall aggregate winner.

It is fitting and proper that these efforts and talents are recognized at these annual events, which are a celebration of the best our districts have to offer.

Last week, very successful fairs were held at Clandonald and Lac Bellevue, as well as at many locations further afield. This week, the fair spotlight moves to Elk Point and Dewberry.

See you at the Fair!

MEL LOOKS LIKE A TOY — Between the towering fir and cedars of Mundy Park, Coquitlam, B.C. The sun has a hard time to reach the forest floor. - I. Magnusson

Alberta Trails

British Columbia as it once was-- Mundy Park

By Irene Magnusson

Not far from where my son Dennis lives in Coquitlam, B.C., is a park, where I wandered during my time out west. This bit of wilderness, approximately a quarter of a mile square, has been left as nearly natural and undeveloped as could be done, and still allow people to visit it and wander under the massive trees.

Of course it was there when I went before, but I didn't know that. Having learned of its existence, and with time on my hands, I set out to find it. With some general directions to follow, I walked over there one afternoon. I went past some very nice homes, with lovely gardens, all smooth-shaven, rockeries and shrubberies, with flowers blooming everywhere, until I came to the large school yard, fenced with high woven wire, behind which was the park.

I couldn't believe it, at first, as I entered on a shaded path. The undergrowth was so tall, the trees untrimmed, only a chipped bark path winding between tall cedars. This chipped bark is used everywhere folks want to make sure the rampant growth doesn't burst through. I think they clear the land, or path, or ground under shrubs and flowers of all grass and weeds, then put down a layer of heavy plastic, with a generous layer of shredded reddish bark on top of the plastic. This looks nice, inhibits growth of undesired plants, and makes a nice spongy path to walk on. However, I'm sure they didn't use plastic on these paths.

Coquitlam - at least the part I was in - is atop a hill called Blue Mountain, so is quite high. Mundy Park has lots of paths, which meandered up and down and around these little hills, all overhung with the giant growth which is typical of the B.C. coastal

area, but the general lay of the land was an uphill slope.

Giant ferns were everywhere, with lots of moss and small forest plants under that. Slightly taller than the ferns are salmonberries, a raspberry-like plant, with orangy, rather tasteless berries (of course, I tasted them!) but good enough to nibble on as I walked along. These bushes get to around eight feet tall, perhaps more. There were so many shrubs I didn't know the names of, and when I asked the natives - strangely, they didn't know either.

I thought the tall trees were original growth, preserved from the pre-white man days, but soon I saw I must be wrong, for here and there among the trees were remains of much larger stumps, and some fallen giants slowly returning dust to dust under a layer of spongy moss and plants, indicating there had been trees much, much larger than those now standing around me.

Some of these massive stumps showed charred edges, proving to me that fire had passed through at some time in the history of that forest. Other stumps were obviously man-made, with notches the loggers used to insert a plank to stand on, while chopping or sawing away to fall one of these kings of the forest.

A common trait of B.C. firs and cedars is to send up a new tree, or a bunch of them, from the stump of a fallen tree. I saw several of these, one where the host stump has almost completely rotted away, leaving two large trees towering skyward, from a perch about eight feet above the forest floor, long strong roots hanging down, making stilts for the up-in-the-air trees.

Some stumps showed where much work has been done by woodpeckers, with red cedar chips scattered around below the many drilled holes.

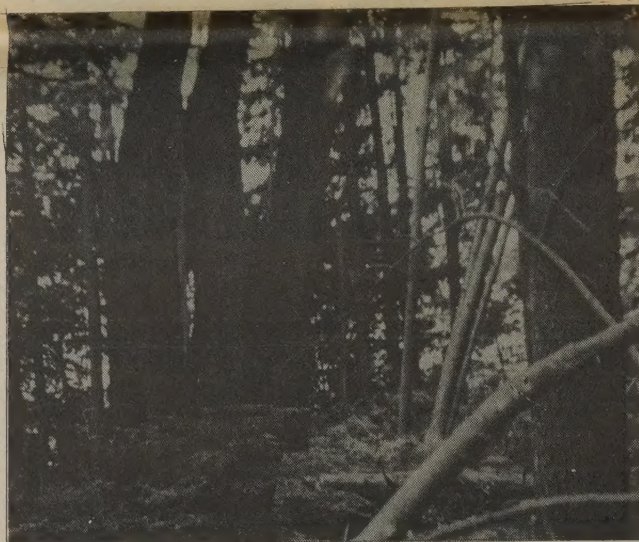

Other growth here and there were blackberry bushes, just starting to blossom when I was there first, in June. These bear fruit much later, in the fall, I was told. Don't ever fall into a patch of these viney bushes, the thorns will impale you!

On my second jaunt in Mundy Park, son Mel and his wife Aline accompanied me. We went further and came to a tiny lake, more like a slough, but with birds and a shoreline and completely surrounded by a chipped bark path. Here we saw bushes of a tall blue huckleberry and also a tall red blueberry shrub. I tasted these berries, too; edible, but not nearly as tasty as ours. I think they would make a delicious jam.

Huge leaves, almost as large as rhubarb, sprouted from low wet spots. These, I learned later, were skunk cabbage. The seed pods were about the size and shape of a cucumber, but full of lumps (the seeds) which fall off when ripe.

I was rather startled, on my first walk in the park, to have a man come tearing up the path behind me on a dead run. He mumbled "Hi!" as he flailed past. There were lots of them, later, and they seemed the only ones who used the park besides me. Once I met three girls, not running, but hurrying, as though to get somewhere else.

I think it is a beautiful park, peaceful and quiet except for the birds overhead, a few squirrels, and raucous ravens.

THE OLD STUMP HAS ROTTED AWAY — Leaving the two sucker trees 'high and dry' on root stilts, daylight showing through. - I. Magnusson

Clandonald news

We wish to express our sympathy to the relatives and many friends of Mr. Joe Parchewsky, who passed away recently.

The Elk Point District Light Horse Association is planning a Poker Rally to begin with registration from 12 to 2 p.m., on Sunday, August 24. There will be an 11 mile ride. Signs will be posted to point you to the meeting point, two miles south of Secondary 640 and 8 miles west of Highway 41. Contact Grant Asmus at 741-2124 for information.

Watch this week and next for more news from Clandonald and Rusylvia in your Lakeland Review.

Trust fund slow to grow

A trust fund established to aid a local accident victim is growing very slowly, according to the kind folks who established the fund.

Harry Blacklock of Lindbergh, who suffered a severed spinal cord in an accident this spring, will be the recipient of the fund.

Donations are still needed, and may be dropped off at the Alberta Treasury Branch in Elk Point, where they will be deposited in Trust Account No. 7700148-24. Please dig deep and contribute to this worthy cause.

Road project

Alberta Transportation will call for tenders to carry out a road improvement project in the Elk Point area, Minister of Transportation and Utilities Al "Boomer" Adair and St. Paul MLA John Drobot announced recently.

This project involves reconstruction of 12 kilometres of Secondary Road 646 from east of Stoney Lake to the intersection of Highway 41 at Elk Point.

"This is the second major improvement project on Secondary Road 646 announced this year," said Drobot. "The project is a high priority with the County of St. Paul and is scheduled for completion next summer."

Adair said: "The work will bring the roadway up to gravelled secondary road standards and will be a boom to the agricultural and resource-related traffic in the area."

HAS office closing

Tomorrow is the last day for the Hire-A-Student office in Elk Point, according to placement officer Greg Roszell. Hire-A-Student has met their goal of 275 regular placements from the St. Paul and Elk Point offices, he added.

The St. Paul office will remain open until August 22, and any potential employers in the Elk Point area are invited to call there at 645-6019 as there are still lots of workers available for all those end-of-summer jobs.

Announcing

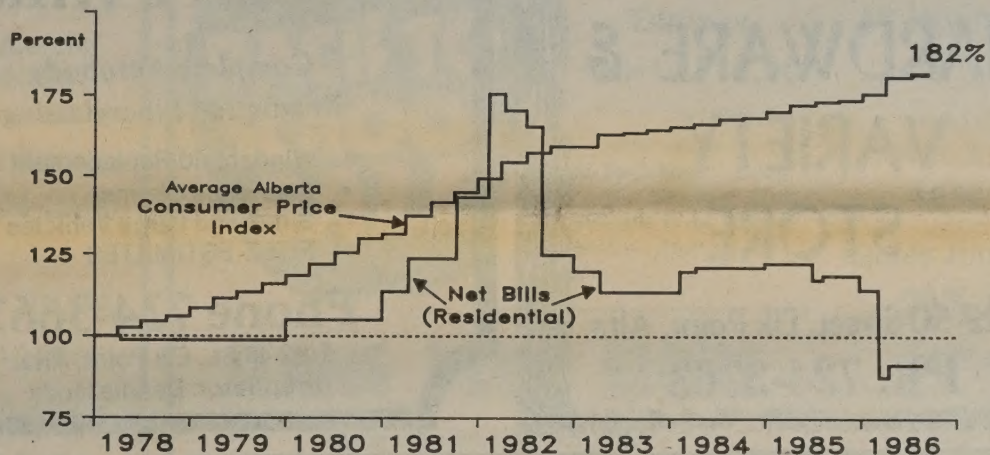

Stan's Farm Supply Ltd.
Of Vermilion, Alta.

Is pleased to announce that

DAVE YAKE

Has joined their sales staff, and is moving back to Elk Point in the near future. Dave is looking forward to serving his previous customers and meeting new friends. He can be reached at 853-2884 days and at 645-5567 evenings (until August 29).

It's a nice situation . . .

. . . even if it is temporary

It may have seemed to you that your last few bills from Alberta Power were quite a bit lower than normal.

And you're right! They have been.

Although there have been minor adjustments in your bill as a result of changes to the level of income tax and marketing agency rebates, there has been no general rate increase in more than four years (since February, 1982).

During the past few years, Alberta Power has worked hard to reduce costs. One indication of our success was our application to the Public Utilities Board in early 1985 to reduce rates.

As you can see from the chart above, your recent power bills have averaged about 20-25% less than those of the last three years.

This is the result of the Public Utilities Board deci-

sion, which lowered rates effective March 1, and granted — on a temporary basis — a credit to all customers.

As nice as this is, it is a short-term situation.

The company has filed an application with the Public Utilities Board which proposes to:

- (1) increase rates to recover a portion of the costs of the recently completed Sheerness Generating Station and several new transmission projects; and
- (2) redesign rate schedules to more closely reflect the actual cost of service.

The amount and timing of any rate change will be determined by the Public Utilities Board following public hearings.

Elk Point Fair Board is ready - are you?

By Irene Magnusson

At a meeting July 31st, all Fair Committee members of the Elk Point and District Agricultural Society reported matters in hand and ready (except for a few details) for the upcoming Fair scheduled to open for receipt of entries at 1:00 p.m. August 15th. Vicki Brooker has made signs, now being posted, watch for these.

The next question is - are you ready? Tags for individual entries are on hand, at the Lakeland Review office, and from Chairman Margret Modin. All exhibits must be labeled ahead of time, to save time and confusion, and listed on the entry form, to be found in the back of the Prize List Booklet - also available at the above mentioned places. (If you run out of

space, add your own entry sheet.)

Look for interesting displays at this year's Fair. The convenors have been scouting around, to find entertaining and informational crafts and demonstrations to please you at the Fair. Coffee and snacks will be available, as usual, for the viewers.

Viewing, will take place on the second day, August 16th, Saturday, from 2:00 p.m. to 8:00 p.m., after which time all exhibits will be removed. Prizes will be awarded at 7:00 p.m. of that day.

All that is left now is for you, the exhibitor, to polish your creative writing, mount your favorite photos, watch your vegetables grow, boil your jellies, bundle up your crafts,

sewing, knitting, etc., and pray for sunshine, so those lovely flowers will bloom for you and me. Don't forget the houseplants - nor the grains and hay. We should have a delightful Fair. See you there.

Last night, as I came home from the meeting, at about 9:00 or 9:30 p.m., I was thrilled to watch the scrolls of fog roll up from fields and meadows, in long swirls across the road, in spirals over the low spots. I stopped to watch for a few minutes, thinking - once again - what an interesting, truly beautiful world we live in. Fog, like snow, or rain or even sun, can be a nuisance at times, but each has a special beauty, giving us scenes to treasure in our memory long after they are gone.

Heavy Horse show

Although the number of entries in the Percheron division of Edmonton's Klondike Days Exposition were down from the 1985 show, the quality of the Percherons exhibited was good. The Grand Champion Percheron mare was Loma of Fairalta. This fine

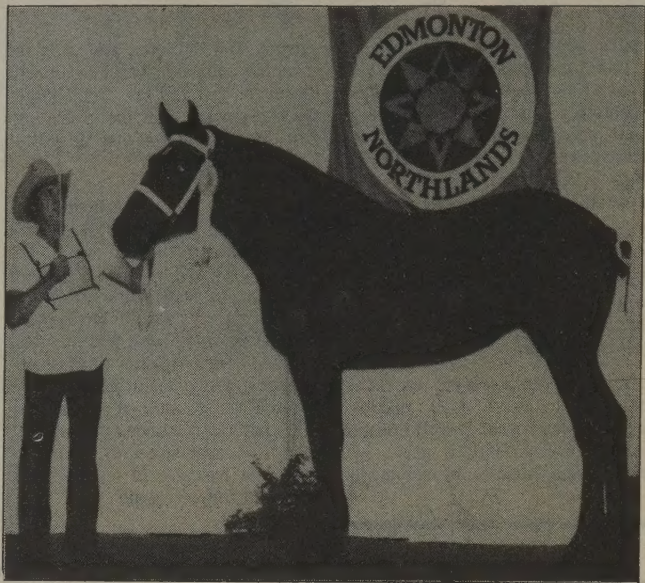

mare is owned by Fairview College, Fairview, Alberta. Prior to being named Grand Champion, Loma of Fairalta was declared Senior Champion mare. The Reserve Senior Champion mare was Babes Lone Beauty exhibited by Shane & Chante

Patterson of Dawson Creek, B.C. In the Junior Mare section, the Junior Champion was Lakeview Jo Lee owned by Remona Patterson of Dawson Creek. The Junior Champion mare went on to be declared Reserve Grand Champion Mare. Also in the Junior Mare section, the Reserve Junior Champion was Four N Glamour's Beauty Mark owned and shown by Stan Good, Heinsburg, Alta.

Two-year-old Cedarview Lonesome Wee Willie was named Junior Champion Stallion and went on to be Grand Stallion. This very fine example of a Percheron is owned by Art Jones of Sundre, Alta.

The Reserve Junior Stallion was First Command owned by Shane and Chante Patterson of Dawson Creek, B.C. Lakeview Joe's Big Dee, the Champion Senior Stallion went on to become Reserve Grand Champion. This grey stallion is owned by Remona Patterson of Dawson Creek, B.C. Guy Wall of Kingman exhibited Superior Major, the Reserve Senior Champion Stallion.

Shane and Chante Patterson of Dawson Creek exhibited the Champion Draft gelding with Henry Ruzicka of Viking showing the Reserve Champion.

Enthusiasm undampened at tourney

Early morning drizzle and heavy rain showers on all sides did not dampen the enthusiasm of golfers participating in the Elk Point Ladies Open, Junior, and Seniors Open golf tournament on Sunday, July 27. Registration was only one short of the 1985 figure, despite the damp day.

Pearl Bepalko shot a 95 to win the Ladies' Championship Flight, with G. Sylvestre second with 99 and K. Harper third with 104. E. Lawrence won the Ladies 2nd Flight with a score of 110, Evelyn Babcock placing second with a 119 and H. Mudryk third with 122.

Frank Molyneux topped the Senior Men's Championship Flight, with Arnold Harper second and Bill Milholland. Sorry, no scores were available for this flight. The Senior Men's Second Flight was won by Art Lyson with a 91, closely followed by J. Korwondy with 93 and John Guskowski with 94.

Excellent scores were reported in the Junior tournament, with champion David Hellquist at 84. Second was Bill Lim with 92, C. Ohland with 93 was third and Albert Lim with 98 was fourth.

The longest drive awards went to Bill Milholland in the Senior Men's, G. Sylvestre in the Ladies, and Lindsay Jenner in the Junior. Shooting closest to the pin were Frank Molyneux in the Senior and Albert Lim in the Junior competition.

JULY WEDDING — Steve and Yvonne Pankow and David and Diana Courtier are proud to announce the marriage of their children Brenda and Nick. The marriage ceremony took place at the Elk Point United Church July 5th. Congratulations to the newlyweds.

Rusylvia win Zone 7 finals - July 28

Saturday and Sunday, July 26 and 27, the Rusylvia Northmen Fastball team played in the Zone 7 Provincial Finals in Fort McMurray. The other four finalists were the Myrnam Steelers, and three teams from Fort McMurray, the Suncor Blues, Local 288 Astros and Birchwood.

The Rusylvia Northmen are coached by Mike Nowosad, with assistant coach Ron Harasiuk.

Rusylvia's first game was at 1 p.m. on Saturday, when they met the Astros. Gary Harasiuk hit in three runs in the first inning for Rusylvia. Then two good catches by Darrell Nowosad in the second half of the first inning, and a quick third Astro out, gave them an early lead.

Darrell's home run in the third inning, with two on base, widened the lead. #15 of the Astros also hit a homer in the third, but without any men on base. At the end of the fifth inning the game was awarded to Rusylvia with the score of 15 to 3.

Later in the afternoon, the Northmen met the Suncor Blues. Ron Ritz started the game with a three base hit to centre field. Suncor scored one run in the first inning, and two in the second for a two run lead. The third inning turned the game around,

with Rusylvia getting five runs. Gary Harasiuk's home run hit was over the fence. Suncor got one run in each of the fourth and fifth innings, and Rusylvia got one more in the fifth. The sixth and seventh innings were scoreless, giving Rusylvia the game, 7 to 5.

The Northmen met the Suncor Blues again at 2 p.m. on Sunday. This game started with Rusylvia up to bat first, making six runs in the top of the first inning. Two good catches by Darrell Nowosad and another quick out gave them a 6 to 0 lead at the end of the first inning. Innings two and three were quick, with only one run scored, then the Suncor Blues scored four runs in the fourth inning, bringing the score up to 10 to 4 for the Northmen. Suncor made the only other run of the game in the fifth inning. The Rusylvia Northmen won with a score of 10 to 5. Ron McPhee made two good catches in centre field in the bottom of the seventh.

The Rusylvia Northmen are the Zone 7 "C" Fastball winners. They, and the second place Suncor Blues from Fort McMurray, played in the Provincial Finals in Calgary August 2 and 3.

Dewberry News Roundup

By Cliff Cunningham

Joe and Olga Braithwaite's 50th anniversary, supper and dance was held in the Dewberry Hall August 2nd with about 200, more or less turning out to wish them well, and many more years of happy married life.

Olga comes from the Mannville district and I knew most of her family (the Prill's) when I lived in the Mannville district many years ago. Adeline Prill taught school in Dewberry many years ago and she said it was nice to meet most of her old friends again. Adeline and I worked for Russell and Lillian Symington in Mannville when they had a restaurant and a dairy business in Mannville over 60 years ago. I don't know the year but I do know it was in my early teens 14 to 16 years of age.

After supper a nice program was put on by their relatives. Also slides were shown, mostly of the Braithwaite family in their younger years. Tom West and his gang supplied the music for the dance and everyone seemed to enjoy themselves.

The Clendon Fair is on August 9, also an auction sale in the Dewberry Hall the same day.

Fred and Lillian Goddard's 45th wedding anniversary and the Dewberry Senior Citizens potluck supper are both on August 10th.

Susie and Vernon Nelson's 25th wedding anniversary is August 16 at the Clendon Hall. Also the

Dewberry and District Mini Fair is August 16. Connie Whiteside's wedding dance and supper is on August 23 in the Dewberry Hall. I never heard the name of the lucky man she is getting married to.

Our anniversary and birthday party is in the Dewberry Hall August 30. Potluck supper and old time dance with the Dad's and Son's orchestra and Jim Smith of the Mannville district as floor manager and M.C. Social hour 5:30 p.m. Supper 6:30 p.m. New friends, old friends and relatives are all welcome to come and help us to celebrate. Cards only please.

Our weather has been more on the sunny side this last week with the low 50° above F and high 82 above F with some rain.

P.S. We are not sending out invitations to our party as we might miss somebody and we don't want to hurt anyone's feelings.

Rusylvia win silver

Saturday, August 2, found the Rusylvia Northmen in Calgary, ready to play it out with nine other men's fastball teams for the Provincial "C" championship. They played in a double knock-out tournament at the Industrial Ball Park. At 10 a.m. on Saturday they met the host team, Three Sisters. Rusylvia gradually ran up the score with one run in the first and again in the third. Three Sisters did not score until the fifth, when they loaded the bases and brought in three runs on the next hit, to pull ahead by one run. Rusylvia caught up again with an over the fence home run by Ed Yaceyko. Then in the bottom of the sixth, Darrell Nowosad RBI'd two and Ron Harasiuk RBI'd one. The winning score then stood at 7-3. Gary Harasiuk was the winning pitcher Saturday and Sunday.

At 4 p.m., the Northmen met the Suncor Blues from Fort McMurray. Rusylvia took an early lead that Suncor wasn't able to meet. The final score was Rusylvia 12, Suncor 3.

Rusylvia had only one game on Sunday afternoon, against the Canora Royals from Edmonton.

The Royals grabbed a four run lead in the first inning, but Rusylvia came right back with three runs in the second and again in the third, fifth and sixth innings. The Royals scored two runs in the sixth, making the final score 12 to 6 for the Rusylvia Northmen.

For a little relaxation players and fans went to the water slides, and ended the day happy and tired.

By Monday there were only two undefeated teams left. At 9 a.m., Rusylvia met the Vulcan Silver Bullets, who had also won all their games on Saturday and Sunday. Rusylvia took the lead in the first two innings, with three runs each time, but the Silver Bullets caught up gradually until there was a six-all tie at the end of the fifth. Then in the sixth, Ron McPhee hit a home run with two men on base, Darrell Nowosad RBI'd two and stole home himself, and the fans went wild. But immediately, Vulcan brought in three singles, topped off with a home run and one RBI, to almost even the score at 12-11.

Inning seven, Rusylvia went three up and three down, and the Silver Bullets lived up to their name and couldn't be held. They won 13-12.

That game dropped Rusylvia to the "B" side with the chance of still winning the tournament by winning three more games.

At 1 p.m. they met the Three Sisters again. Three Sisters had the only score, two runs, until the top of the seventh, when with two men out, Ron McPhee hit a home run and brought in two more runners, then Gord Harasiuk came in on an error. Rusylvia put the Three Sisters out of the running with a 4-2 score. Ron Ritz was the winning pitcher.

The next game was right away, against Vulcan, the only undefeated team. Rusylvia scored five in the first inning, on walks and a 2 RBI hit by Victor Nowosad. Then the Silver Bullets scored three in the bottom of the third inning. All other innings were scoreless, giving Rusylvia the win by 5 to 3. Ron and Gary pitched the game.

In the final game, (Rusylvia played three games back to back), the Rusylvia Northmen and the Vulcan Silver Bullets, each with one loss in the tournament, met again. In the third, Mike Nowosad hit a two-base hit which brought in two runs, and two more singles gave Rusylvia the lead 6-3. Vulcan turned it around in the bottom of the fourth, with five runs, bringing the score to 8-6 for the Silver Bullets. The Northmen were not able to score more runs.

The Vulcan Silver Bullets won the Tournament, and the Gold medals. The Rusylvia Northmen proudly received the silver medals for second place in the Provincial Fastball championships.

Before the busload of players and fans unloaded to prepare for the long ride home, presentations were made to Cheryl Nowosad, statistician; Matt Harasiuk, Father and booster; Ray Jones and Arnold Usenik, bus drivers and fans and Shirley Osinchuk, fan and reporter.

Thank you, fellows. Congratulations on your win, and best wishes for next season.

PROVINCIAL "C" SILVER MEDALLISTS — The Rusylvia Northmen. Back row: Ron McPhee, Victor Nowosad, Mike Nowosad, Ed Yaceyko, Orest Stachniak, Malcolm Nowosad, Terry Stachniak. Front: Ron Harasiuk, Gord Harasiuk, Darrell Nowosad, David Harasiuk, Ron Ritz, Gary Harasiuk.

GRAVITY

The very essence of assumed gravity is design, and consequently deceit; a taught trick to gain credit with the world for more sense and knowledge than a man is worth.

Elk Point crop report

August 7, 1986

There has not been any crop damage this past week due to high temperatures, lack of rainfall, excess rainfall or snow fall.

The estimate percentage of swathing completed is 3% for Fall Rye.

The estimate percentage of each crop which is currently ripening or ripened is 25% for Barley and 20% for Canola.

The estimate average yield per acre in kilograms based on total acreage is 1100 kg for Hard Red Spring Wheat, 1089 kg for Winter Wheat, 1234 kg for Oats, 1742 kg for Barley, 1016 kg for Fall Rye and 454 kg for Canola.

Assuming favorable harvest weather, the estimate percentage of each grade of grain which may be harvested is:

(A) Hard Red Spring Wheat: 5% - 2 CWSR, 80% - 3 CWSR, 15% Can. Feed.
(B) Barley: 100% - 1 Feed.
(C) Canola: 85% - 1 Canada, 15% - 2 Canada.

The estimate total intended acreage of each crop as compared to last planted year is 100% for Winter Wheat and 100% for Fall Rye.

No swathing has yet started but towards the middle to the end of August, Tobin rapeseed and the early barley will start to go down. Warm sunny weather is needed to hurry the crops along.
